## LIGHTHOUSE PRESCHOOL SECURITY CODE

---

---

We have a security system on our entry door. Each **NEW** family needs to pick a 5 digit code (numbers only), **under 65000** to gain access to the building. Students who are reenrolling will automatically use their same entry code. On the form below, please indicate your first and second choice of numbers. We will then enter it into our computer. If your first choice is unavailable, we will advise you.

.....

Please print:

PARENT NAME \_\_\_\_\_

CHILD'S NAME \_\_\_\_\_

FIRST CHOICE \_\_\_\_ \_\_\_\_ \_\_\_\_ \_\_\_\_ \_\_\_\_

SECOND CHOICE \_\_\_\_ \_\_\_\_ \_\_\_\_ \_\_\_\_ \_\_\_\_

You will need to notify any other person who picks your child up on a regular basis of this number. If they only come on occasion to pick up your child, they will have to ring the bell for entry into the school. Please, do not give your code out to any unauthorized person. You are responsible for any person you give this code to. Thank you.
